

## Health & Safety Framework Glyfada Maritime Golf Event 2020

---

The **Glyfada Maritime Golf Event**, organized in Glyfada this year, will take place in compliance with the Healthcare Protocol published by the General Secretariat of Sports. Within this framework, with the objective of adhering to the relevant Protocol and ensuring the health and safety of participants and attendees, and having carefully studied the safety protocols published to date by the competent healthcare authorities in Greece, as well as the guidelines issued by the WHO, the organizers have designed the following **framework for health protection in their events**.

The guidelines include all rules, measures for health protection and procedures to be adhered to during and in the framework of this event, and shall be revised regularly, in accordance with the instructions of competent scientists on the basis of epidemiological data and the suggestions of the Healthcare Committee of the General Secretariat of Sports (GSS).

The event will take place in “Konstantinos Karamanlis” golf course in Glyfada, which covers an area of around **530,000 square metres**.

### 1. PRIOR TO THE EVENT

- a. The transportation of participants / volunteers / workers / partners for the purposes of the event, will take place according to the instructions of the GSS. For example, participants will arrive at the venue using their own means of transport.
- b. Each participant shall arrive at the event venue in accordance with the racing schedule.
- c. To enter the premises, each participant will be required to have completed registration online.
- d. However, in order to take part in the tournament, each participant must also have a **COVID document** (tracing form) with them, **or they must fill one in at the event secretariat**.

### 2. AT THE EVENT ENTRANCE

- a. The main principle regarding entrance, is to avoid congestion at all locations.
- b. There will be strict access control at the event support premises on the day of the race, and all parties will be required to demonstrate the relevant credentials. The number of people present in the premises will be proportionate to the square footage of each area, allowing for a distance of 1.5 m. between attendees, with a maximum of 100 persons in the golf activities (participants)
- c. To enter the event premises, each participant will be required to have completed registration.
- d. When entering the sports facilities, each person will be recorded in the event logbook, similar to the one available on the GSS website [https://gga.gov.gr/images/log\\_sheet\\_v8.pdf](https://gga.gov.gr/images/log_sheet_v8.pdf). Temperature readings will be taken from all entrants. Entrants will sign the logbook, declaring that they have no coronavirus symptoms on the day in question. The logbook will be filed on a daily basis by the manager of the sports facility, and kept for 14 days to facilitate any necessary contact tracing.

- e. Temperature readings will be taken at the entrance, and persons with a body temperature of more than 37°C in three readings will be declined entrance. In such an event, it is recommended that the sports facility guards fill in two copies of a medical referral form, one of which shall be delivered to the patient, and the other kept in the sports facility's records, signed by the patient.
- f. There shall be a single entrance and exit point for all attendees who have permission to enter the event venue, which will be guarded by the venue's guards.
- g. Special reference is made to the use of a security firm, to ensure social distancing is maintained, and to provide any additional assistance on-site.
- h. Name will be checked against an online list (tablet)
- i. If the entrant is not a participant, then they must be on the list of accredited individuals
- j. The games will take place without spectators and family members in the designated areas.
